## WORK EXPERIENCE

### Software Development Engineer Intern

RIDE EVEE (Unit of AARSAAR Technolgies)

India

RIDE EVEE is an online app based Car Rental Service provider which provides Intercity & Intra City Cab Services for their customer. It lets you book One-way cabs, Local full day cabs, Outstation cabs, Airport transfer cabs & lets users select cars through the app & that will further reduce the hassles of booking a trip with them. Read more at: <https://yourstory.com/companies/ride-evee>

Achievements/Tasks

- I am working as a SDE intern in this company with engineers from different colleges and building a cab rental service app which is India's first Electric vehicle rental service app
